Congratulations to Hannah Winegardner and the entire Winegardner Show Cattle team on a phenomenal job developing and exhibiting the Grand Champion Female of the 2009 National Junior Shorthorn Show in Springfield, Illinois.

We truly appreciate the generosity of show sponsors at every dollar level. Your support of youth activities ensures the future of the Shorthorn breed!

Our sincere thanks to the Illinois hosts, the ASA staff and the AJSA for your great work producing this year's show. It was a perfect day in paradise!

We're also very proud of our niece Claire Taylor and Little Cedar Augusta Pride ET, Division 1 Champion Female - she sells in "The Revival!"

We hope to see you in Beaverton at "The Revival" on September 26 and on November 7 at Winegardner Show Cattle's "Harvest of Excellence" in Lima, Ohio.
